A person wearing a dark hoodie is shown from the chest up, with their face partially obscured by a complex, glowing blue digital circuit overlay. The overlay consists of numerous interconnected lines and nodes, resembling a network or data flow. The person's right hand is raised, palm facing forward, with fingers spread. The background is a dark blue gradient with faint, out-of-focus light spots. In the upper right corner, the text "82%" is displayed in a large, white, sans-serif font.
